PACKAGES

2026

The Creator Reel

A 1-hour session creating a sharp 1-minute video plus 5 edited photos. Perfect for social media, promos, or quick highlights — polished, impactful, and ready to share.

R2500

The Creator Pack

Three shoots across a month, 2 consecutive hours per shoot. Each session delivers a up to 1-minute edited video and 5 edited photos. Keep your feed fresh, your stories rolling, and your audience engaged with consistent, high-quality content.
The ultimate plan for creators and brands looking to maintain momentum and stay ahead in the content game.

R7500

Additional Hour Rate

R750

Extend your session by 1 hour to capture more moments, content, or footage — perfect for extra coverage or bigger projects.

No Context Content

R2500

1-hour B-roll session delivered as ready-to-edit footage. Full flexibility for creators to craft their own videos, edits, or projects.
